THE FUTURE
UNDER ONE ROOF

ORGANIZED BY

PROJECT QATAR 2026 STEPS INTO A NEW ERA, UNITING THE FORCES OF INDUSTRIAL PRODUCTION, CONSTRUCTION, INNOVATION, AND SMART TECHNOLOGIES WITHIN ONE INTEGRATED PLATFORM. HELD UNDER THE PATRONAGE OF H.E. SHEIKH MOHAMMED BIN ABDULRAHMAN BIN JASSIM AL THANI, PRIME MINISTER AND MINISTER OF FOREIGN AFFAIRS, AND TAKING PLACE IN JUNE 2026 AT THE DOHA EXHIBITION AND CONVENTION CENTRE (DECC), THIS EDITION IS DESIGNED TO SHOWCASE THE COMPLETE JOURNEY OF PROGRESS: FROM RAW MATERIALS AND ADVANCED MANUFACTURING TO MAJOR DEVELOPMENTS, SMART HOMES, DIGITAL SYSTEMS, AND THE NEXT WAVE OF URBAN TRANSFORMATION.

Across three days, Project Qatar 2026 offers unmatched access to new products, machinery, building solutions, smart systems, and breakthrough technologies driving the future of industry and cities. Every zone is carefully curated to guide visitors through the evolution of modern development, showcasing how manufacturing fuels construction and how innovation shapes everyday life.

The event is complemented by a CPD-Certified conference program, delivering strategic insights, expert-led discussions, and forward-looking sessions focused on industrial growth, construction excellence, sustainability, digital transformation, and smart city evolution.

A dedicated B2B matchmaking platform ensures targeted meetings with buyers, suppliers, contractors, government entities, and international investors turning networking into tangible business results.

Project Qatar 2026 stands as one of the region's most influential hubs for economic development and innovation, gathering the entire value chain under one roof and offering a clear view of the future being built today.

FACTSHEET 2025

Measuring Impact. Documenting Performance. Capturing Results.

The last edition of Project Qatar delivered remarkable outcomes, bringing together global exhibitors, influential buyers, and key industry stakeholders. Below is an overview of the main results and achievements that reflect the event's continued strength, scale, and impact.

EXHIBITION ZONES

INDUSTRIAL & SMART MANUFACTURING ZONE

Showcasing raw materials, advanced machinery, automation systems, robotics, industrial technologies, and production solutions that drive modern manufacturing.

CONSTRUCTION & DEVELOPMENT ZONE

Dedicated to developers, contractors, engineering firms, building material suppliers, and infrastructure solutions.

FIT-OUT, LIGHTING & FURNITURE ZONE

A specialized zone for interior design, architectural lighting, furniture manufacturing, commercial fit-outs, décor solutions, and turnkey finishing services that define modern spaces across residential, hospitality, corporate, and retail sectors.

HEAVY MACHINERY & EQUIPMENT ZONE

Featuring earth-moving equipment, lifting machinery, industrial vehicles, logistics systems, and high-performance technologies essential for construction, infrastructure, and industrial operations.

INNOVATION, CONSUMER TECH & SMART LIVING ZONE

A dynamic environment dedicated to smart home solutions, appliances, IoT systems, digital platforms, mobility tech, automation, VR/AR, and next-generation technologies transforming the way people live, work, and interact.

EXHIBITORS PROFILE:

INDUSTRIAL & SMART MANUFACTURING

- Raw material suppliers
- Machinery & industrial equipment manufacturers
- Automation, robotics, & AI production companies
- Packaging, processing, & logistics technology companies
- Industrial safety and quality control systems

CONSTRUCTION & DEVELOPMENT:

- Real estate developers and master planners
- Contractors and turnkey builders
- Building materials manufacturers
- MEP, HVAC, and energy solution suppliers
- Infrastructure, roads, and civil works specialists
- Sustainability, green building, and environmental solution providers

FIT-OUT, LIGHTING & FURNITURE

- Interior design & fit-out contractors
- Furniture manufacturers & distributors
- Architectural & commercial lighting companies
- Décor, finishing materials, and flooring specialists

HEAVY MACHINERY & EQUIPMENT

- Earth-moving equipment suppliers
- Lifting & crane systems
- Industrial & construction vehicles
- Heavy-duty machinery distributors
- On-site logistics, transport, & load-handling systems

INNOVATION, CONSUMER TECH & SMART LIVING

- Smart home & IoT solution providers
- Consumer electronics brands
- Smart appliances & connected systems
- Future mobility & EV technologies
- Startups in AI, robotics, VR/AR, & digital platforms
- PropTech, GovTech, & urban innovation companies

MARKET INSIGHTS: QATAR'S GROWTH & OPPORTUNITIES 2026

Qatar is entering a new phase of development, with major projects planned across construction, infrastructure, and industry. The country is investing heavily in new neighborhoods, better roads, smarter cities, and large industrial expansions, creating strong opportunities for companies in building, manufacturing, and technology.

OVERALL MARKET OUTLOOK

Qatar's construction market is worth QAR

130 - 250 Billion

Construction activity increased by over

11% in early 2025

WHERE THE DEMAND IS GROWING

- New homes and residential areas
- Mixed-use communities (shops, housing, offices)
- Hospitals and medical centers
- Tourism and hospitality projects
- Commercial buildings and business developments
- Interest in energy-efficient systems, better insulation, & smart building technologies

MAJOR PROJECTS SHAPING 2025–2026 ASHGHAL'S NATIONAL INFRASTRUCTURE PLAN

- Total investment: QAR 81 billion over five years.
- Includes new roads, upgraded drainage systems, public buildings, and utilities.
- More tenders and opportunities are expected throughout 2026.
- Strong need for building materials, equipment, and construction services.

RESIDENTIAL & URBAN EXPANSION

- Over 5,500 new land plots being developed across northern, western, and southern Doha.
- High demand for finishing materials, interiors, furniture, and MEP works.

SUSTAINABLE & SMART INFRASTRUCTURE

- Part of Qatar's USD 22 billion development plan announced in 2025.
- Includes water projects, transport improvements, & modern urban services.
- Growing need for smart systems, digital solutions, and energy-efficient technologies.

ACTIVITIES

1. CONFERENCE & TRAININGS: CPD CERTIFIED

The conference brings together industry leaders, policymakers, innovators, and global experts to discuss the latest advancements shaping Qatar's industrial, construction, and technology sectors.

All sessions are CPD Certified, offering participants accredited learning, practical insights, and exposure to the newest strategies in:

- Industrial innovation and smart manufacturing
- Construction Technologies, Sustainability, and Major Developments
- Smart cities, Digital Transformation, and Future Mobility
- Market trends, Investment Opportunities, and National Projects
- Startup Stage: Supporting SME's and Qatari Innovation

Designed to reflect the exhibition zones, the program provides visitors with a complete understanding of how industry, construction, and technology come together to build the cities of tomorrow.

2. B2B MATCHMAKING PLATFORM

The event features a fully integrated B2B Matchmaking Platform, giving exhibitors and visitors direct access to qualified business meetings throughout the three days.

Through the platform, participants can:

- Schedule pre-arranged meetings with potential buyers, partners, and investors
- Connect with government entities, developers, manufacturers, and distributors
- Discover procurement opportunities and upcoming projects in Qatar
- Build long-term partnerships with both regional and international companies

The platform ensures every participant maximizes their business outcomes, making the event one of the region's strongest commercial networking hubs.

3. AWARDS CEREMONY: THE EXCELLENCE IN INDUSTRY & INNOVATION AWARDS

The Excellence in Industry & Innovation Awards celebrates the companies, projects, and leaders shaping the future of manufacturing, construction, and smart technologies in Qatar.

Held during Project Qatar 2026, the ceremony recognizes outstanding achievements, breakthrough innovations, sustainability leadership, and contributions that drive national development.

A UNIFIED PLATFORM EXPANDING OPPORTUNITY, INNOVATION & IMPACT

Project Qatar 2026 introduces a powerful integrated model by running two strategic sector-focused events concurrently within the exhibition.

Together, they create a seamless environment that connects the full development cycle from industrial production to construction, then forward into smart technologies and future living.

Qatar
SMART
manufacturing

**3RD EDITION OF SMART
MANUFACTURING QATAR EXHIBITION
AND CONFERENCE 2026**

This specialized sector within the exhibition highlights the foundation of progress: the technologies, machinery, automation systems, raw materials, and industrial advancements that power modern manufacturing. It showcases how industrial innovation fuels efficiency, strengthens supply chains, and accelerates national growth—positioning Qatar as a competitive manufacturing hub.

**CONSUMER
TEQ**

**CONSUMERTEQ EXPO 2026,
INNOVATION & SMART LIVING**

ConsumerTeQ represents the future-forward dimension of the event, bringing together smart home systems, appliances, connected devices, AI-powered solutions, digital platforms, future mobility, and emerging technologies shaping modern living. It demonstrates how innovation enhances daily life, supports smart cities, and drives the next wave of consumer experiences.

ONE VISION. ONE FLOW. ONE FUTURE.

Running these events alongside Project Qatar strengthens the exhibition's core message: manufacture, build, innovate. The combination creates a complete value chain under one roof—giving visitors and exhibitors a unique opportunity to explore how industries connect, how technology transforms business and how Qatar's future is taking shape across all sectors.

THE VENUE

Doha Exhibition & Convention Center

Project Qatar 2026 will be held at the Doha Exhibition and Convention Center (DECC), a state-of-the-art venue located at the heart of the Qatari capital.

The 47,700 SQM venue includes five column-free halls spreading over 30,000 SQM and contains a main foyer, bistros, public restrooms, prayer rooms, a loading zone, storage, circulation space, and a car park that can accommodate nearly 5,000 vehicles and a multi-function hall. Located in the lively West Bay area, the DECC is easily accessible from several routes and will be connected to the Sheraton Park through an underground tunnel that will bring visitors to the naturally crescent-shaped Doha Corniche. The venue is also located 15 minutes away from Hamad International Airport and numerous hotels.

THE ORGANIZER

International Fairs & Promotions

IFP Qatar is part of IFP Group, the Middle East's leading trade fair organizer. In the last 40 years, IFP has organized over 480 international trade fairs and conferences throughout the region and has established a client base of more than 35 governments and thousands of international companies and trade associations.

IFP works across a wide range of sectors and has delivered the region's most important events. The company's international trade fairs are designed to be ideal and dynamic platforms for foreign and local companies doing business in the Middle East and seeking exposure to top regional buyers and decision-makers.

Our unique blend of services enables both participants and visitors to reach qualified buyers and key decision-makers, generate new leads, and gain solid access to Middle East's lucrative markets. Our leading events are all certified by UFI, the Global Association of the Exhibition Industry. UFI approved events are reserved for exhibitions of high quality that meet or exceed internationally recognized standards of organization.
